

## A Blessing of the 25 Horny Beasts

As we gather us , the viable, tribal lot of us,  
Let us bless the horny beast that is Theatre Rhinoceros;

 Who's stage may never cease to birth

Creations bold upon this earth

That tell the truth, avec mirth,

And magnify our greater worth,

 Who's company may forever appear

Queer and proud and hard not to hear

and even more horny than "Dubya" fears

In the next 25 plus more years!

 May The Rhino stand strong and naked and large.

 May The Rhino maintain a running, laughing charge.

 May The Rhino save a seat for every girl-boy,

 And may The Rhino indulge

**No Guilt! More Joy!!**

**Ah, Men! & Ah, Women!**
